Enhancements

Support Multiple Timeslots in Workout Sessions

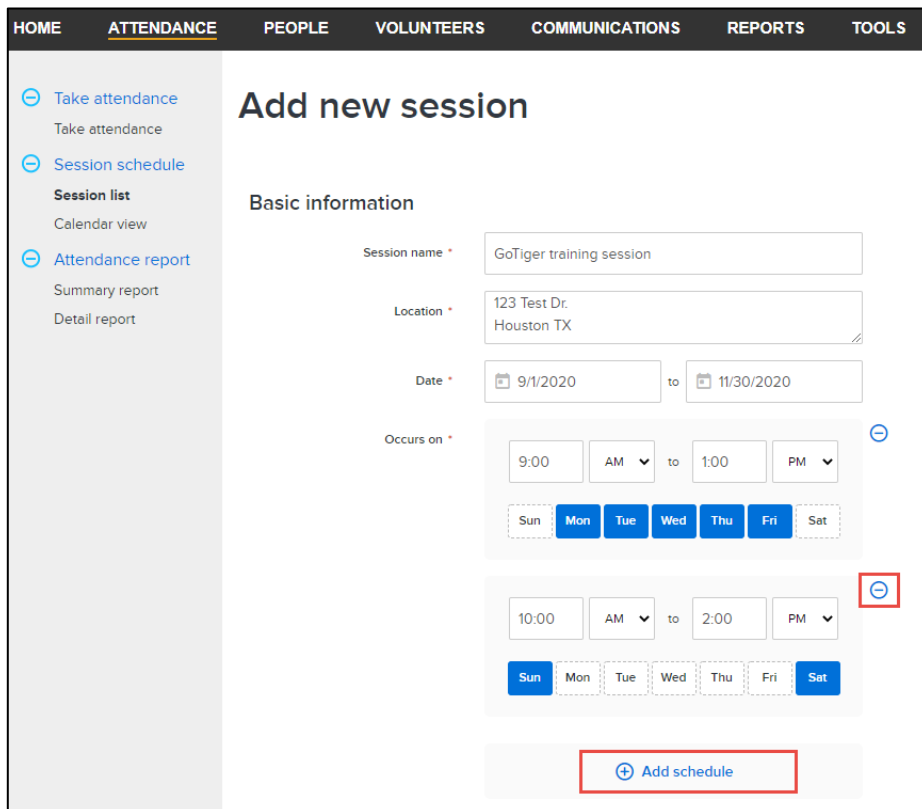

ACTIVE Swim Manager:

Previously, workout sessions could only be configured with a single session time even on different days of the week.

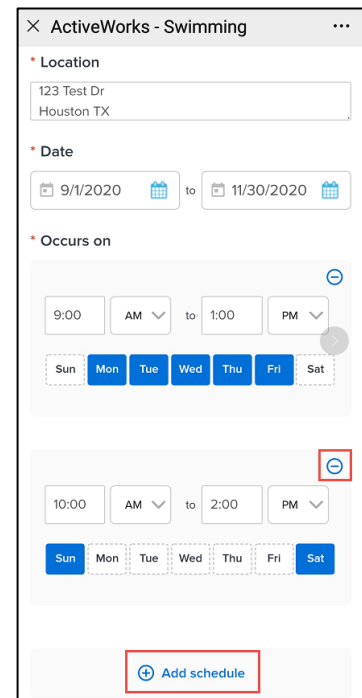

Now, when creating or editing a workout session (ACTIVE Swim Manager > **ATTENDANCE** > **Session schedule** > **Session list** > **Add new session**/or selecting an existing session), you can:

- add up to 10 different timeslots on different days of the week by clicking the **Basic information** > **Occurs on** > **+ Add schedule** button.
- remove an added timeslot by clicking the  icon.

Desktop

Mobile

When copying a session with multiple timeslots, the timeslots are also copied.

On the **Session list** page, sessions with multiple timeslots have a  icon. Clicking (or tapping on the mobile version) this icon opens the complete list of time slots:

Desktop

The desktop 'Session list' view shows a table of sessions. The 'GoTiger! Training Session' row has a clock icon in the time column, which is highlighted with a red box. The table includes columns for session name, location, time, days, and coach.

Session	Location	Time	Days	Coach

On the mobile **Calendar view**, when selecting a date with workout sessions, all available timeslots for a session on that date are listed under the session location, for example:

On the **Calendar view** page, when taking session notes for a session with multiple timeslots, you must now select a timeslot and take notes at the timeslot level:

- Desktop **Calendar view** > **Day** > note (📝 icon) > **Session note** popup > required timeslot:

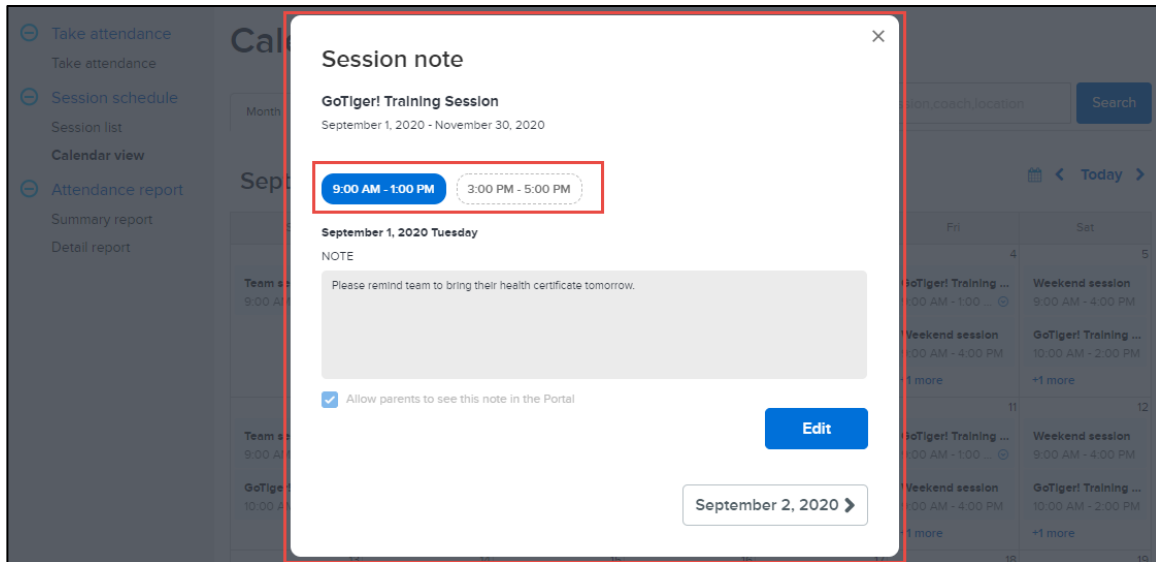

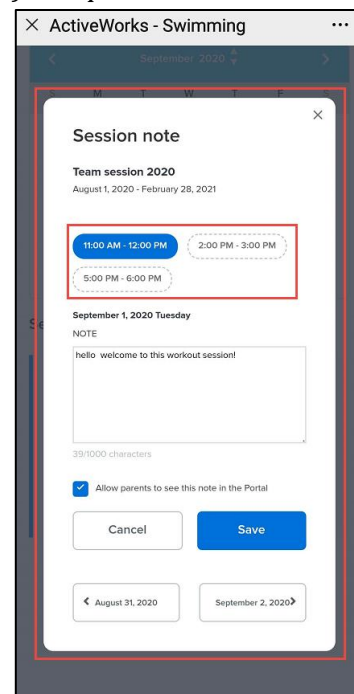

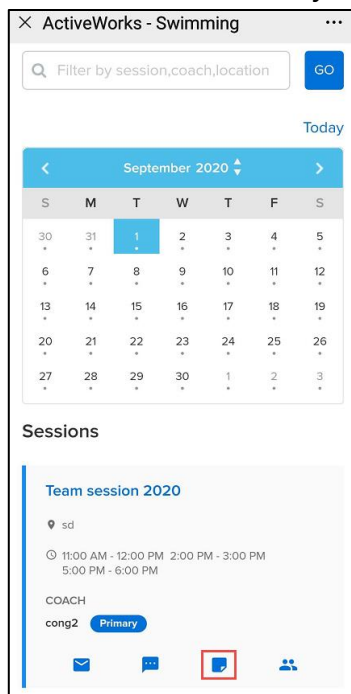

The image shows a 'Session note' popup form. At the top, it says 'Team session 2020' and 'August 1, 2020 - February 28, 2021'. Below this are three time slot buttons: '11:00 AM - 12:00 PM' (highlighted with a red box), '2:00 PM - 3:00 PM', and '5:00 PM - 6:00 PM'. The main section is titled 'September 1, 2020 Tuesday' and 'NOTE'. It contains a large text area for notes, with a character count '0/1000 characters' below it. There is a checkbox labeled 'Allow parents to see this note in the Portal'. At the bottom, there are 'Cancel' and 'Save' buttons, and navigation arrows for 'August 31, 2020' and 'September 2, 2020'.

- Desktop **Calendar view** > **Month** > a session > session details popup > required timeslot > **Add** (when adding notes) or **Edit** (when making changes to existing notes):

The image shows a 'Calendar view' interface. On the left is a sidebar with navigation links: 'Take attendance', 'Session schedule', 'Attendance report', 'Summary report', and 'Detail report'. The main area is titled 'Calendar view' and shows a monthly calendar for September. A session details popup is open for 'GoTiger! Training Session' at '123 Test Dr. Houston TX' from 'September 1 - November 30, 2020'. The popup shows two time slots: '9:00 AM - 1:00 PM' and '3:00 PM - 5:00 PM'. The '9:00 AM - 1:00 PM' slot has an 'Edit' button (highlighted with a red box) and a note: 'Please remind team to bring their health certificate tomorrow.' The '3:00 PM - 5:00 PM' slot has an 'Add' button (highlighted with a red box) and a 'COACH' field. The background calendar shows various sessions like 'GoTiger! Training ...' and 'Team session 2020'.

- Mobile **Calendar view** > a day > a session > note (📝 icon) > required timeslot:

On the **Take attendance** page:

- When a coach selects a session and then a date to mark participant attendance, if the session has multiple timeslots on the selected date, then the coach must select the required timeslot to:
 - view participants and mark their attendance in the selected timeslot.
 - take general notes or an individual participant's attendance notes at the timeslot level.

In the **Attendance report > Summary report**:

- Rates are now calculated at the timeslot level instead of session level:
 - **Present** rate = [number of participants present in all time slots (in the selected time range)]/[total number of participants in all time slots (in the selected time range)]
 - **Absent** rate = [number of participants absent in all time slots (in the selected time range)]/[total number of participants in all time slots (in the selected time range)]
- The **No workout** rate field has been removed.
- A **No status** rate field has been added:
 - **No status** rate = [number of participants with no attendance status in all time slots]/[total number of participants in all time slots]

- In the **Day** view (desktop version), sessions with more than two timeslots on the selected date have a  icon. Parents can click this icon to view all timeslots in that session on the selected date:

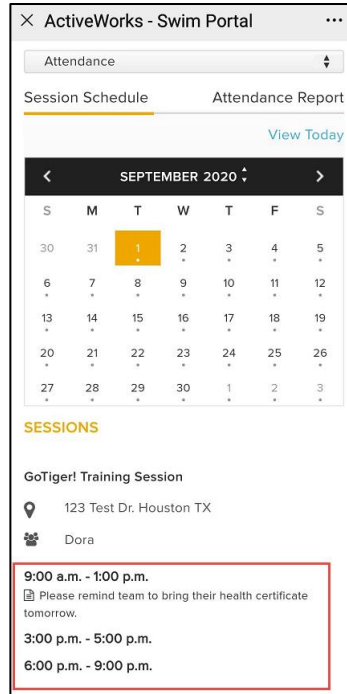

The screenshot shows the desktop interface of the ActiveNetwork app. At the top, there are tabs for 'VIEW PROGRAMS', 'ATTENDANCE', 'VIEW MEETS', and 'PERSONAL BEST'. Below these are 'SESSION SCHEDULE' and 'ATTENDANCE REPORT'. The date is set to 'September 7, 2020' with a calendar icon and '< Today >' navigation. The session 'GoTiger! Training Session' is listed for Monday at 123 Test Dr. Houston TX. It has two timeslots: '9:00 a.m. - 1:00 p.m.' and '3:00 p.m. - 5:00 p.m.'. A dropdown icon is visible next to the 3:00 p.m. - 5:00 p.m. timeslot. On the right, there is an 'Account profile information' section for Kathy White (4044341234, kay.jiang@activenetwork.com) and a 'PAYMENT NOTIFICATIONS' section stating 'You have no outstanding balance due or upcoming payments'. At the bottom right, there is a 'MEET MOBILE' section with a smartphone icon.

This screenshot shows the same desktop interface as the previous one, but with the dropdown menu for the 'GoTiger! Training Session' open. The menu lists three timeslots: '9:00 a.m. - 1:00 p.m.', '3:00 p.m. - 5:00 p.m.', and '6:00 p.m. - 9:00 p.m.'. The '3:00 p.m. - 5:00 p.m.' timeslot is highlighted. The rest of the interface remains the same.

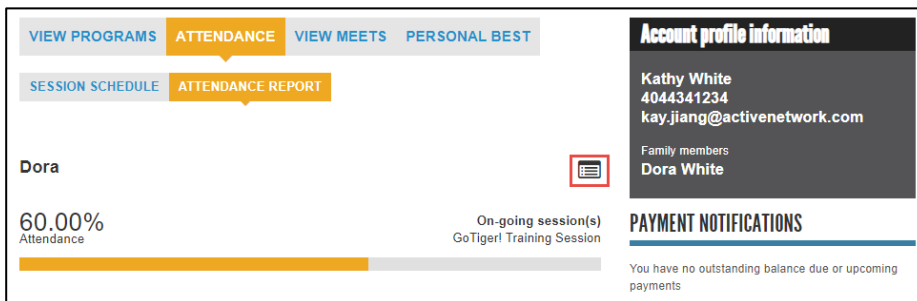

- In the mobile version, after selecting a date that has workout sessions, all available timeslots on the selected date and any session notes at the timeslot level are listed under each session:

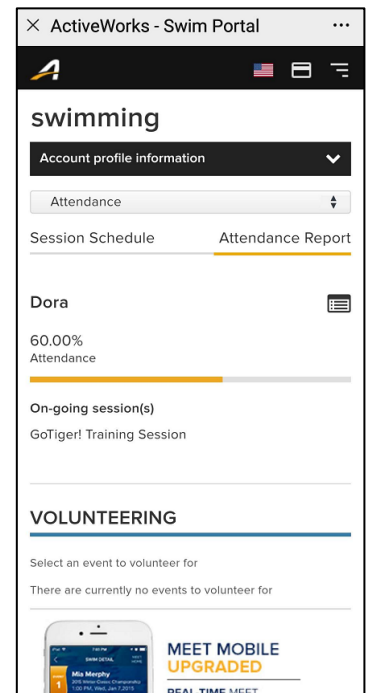

On the Swim Portal > **ATTENDANCE** > **ATTENDANCE REPORT** page:

- The **Attendance** rate is now calculated as: [number of timeslots in which participants are present]/[total number of timeslots that participants are present OR absent].
- On the **SESSIONS** details popup, participant's attendance notes (if added by the coach) are now displayed under the relevant timeslot.
